

Site Rules

Please show consideration to others at all times and keep noise to a minimum between 10.00pm and 8.00am with absolute quiet between 11.00pm and 7.00am. It can be hard to remember that the thin canvas of your tent or awning really doesn't keep the sound in.

All unaccompanied children should be back to their accommodation by 10.30pm.

We do not allow groups of more than 4 units. No car radios.

Respect your fellow campers and campsite staff.

The Road Traffic Act governs the site. Bicycles must be ridden responsibly. Skate boards and motorised units such as scooters and hover boards are not allowed to be ridden on site.

For your own safety and that of the other campers we have 'no open fires' policy. We only allow the burning of charcoal and then only in a bbq.

Please bring a torch with you. We keep our lighting to a minimum to avoid unnecessary light pollution.

Only Aqua Kem Green or other similar biological toilet fluids are to be emptied into our toilet waste points. Please make sure you remove your lid safely before or if this does fall into the waste point notify a warden as soon as possible so we can remove it in earnest.

Motorised craft such as helicopters and drones may not be flown on or over the site.

Only ECO mats can be used as groundsheets in awnings with caravans and trailer tents.

No generators.

An adult must supervise children under 16yrs in the swimming pool area and play area.

We reserve the right to ask any person to leave the park.

Dogs are allowed on the park but must be kept on a short lead at all times and in the charge and control of a responsible adult. Dogs must not be left unattended. Any dog covered by the "Dangerous Dogs Act" must be muzzled. Pit Bull Terriers, Japanese Tosa, Dogo Argentino, Fila Brazillero or a cross breed of any of these are not allowed on site.
